Stainless steel playground slide h350_124

Outdoor slide, for municipal gardens, for playrooms. **Height: 80 cm**

Children's slide with a cute **decorative ladybird**, lively and cheerful, ideal for furnishing outdoor spaces dedicated to children. Product certified in accordance with European Standards EN 1176 by the German Institute TÜV - SÜD. The playground slide has a structure made using **high-pressure laminate (HPL)** panels in bright colors and complete with two pantographed side decorative panels depicting a ladybird and a child. It consists of:

- No. 1 access ladder equipped with 20 mm HPL high-pressure laminate side infills in bright colors and steps in phenolic-bonded birch plywood finished with colored films on both sides.
- No. 1 slide h. 80 cm, with press-folded stainless steel track and 20 mm HPL high-pressure laminate sides.

Assembly using 8.8 galvanized steel bolts and self-locking nuts. Standard nut cover elements in colored nylon.
