

Stainless steel pole-mounted cigarette snuffer h109_279

Stainless steel pole-mounted ashtray to be bolted down. Dimensions: h.1100 mm

Outdoor ashtray to be **bolted down**. Cigarette snuffer entirely in **stainless steel**, cylindrical in shape and with a base plate that acts as a foot or for the possibility of bolting to the ground. The design recalls the shape of a cigarette with a hole in the upper part to extinguish cigarettes. The upper part is **removable** and is released via a special **lock with a universal key** for emptying butts and ash. All **metal parts** are in **stainless steel**. The attractive design makes it ideal for use in various outdoor environments.

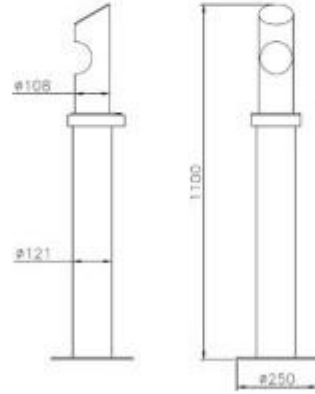

Technical features:

- Material: stainless steel
- Pole-mounted fixing
- Dimensions: diameter 250 x h.1100 mm

INFORMATION

- Height in millimetres 1100.000000
- Width in millimetres 250.000000
- Depth in millimetres 250.000000
- Material metal
- fixing a colonna
