Stainless steel sanitary bag dispenser h520_03

AISI 304 stainless steel sanitary bag dispenser (W13.5xH28 cm) with wall mounting. Compact design for professional public restrooms.

The sanitary bag dispenser is a technical solution designed to elevate the standards of hygiene and decorum in professional restrooms. Made entirely of **AISI 304 stainless steel**, this accessory ensures superior structural resistance against wear and humidity, meeting the needs of high-traffic environments. Its reduced depth makes it ideal for discreet wall installations, optimizing space inside bathroom stalls without compromising functionality.
