

Stainless steel service trolley h799_03

Stainless steel service trolley with 2 shelves (100x50x96 cm). Professional Made in Italy structure with MOCA certification for the HoReCa sector.

The **h799_03 service trolley** is a professional logistics solution designed for intensive use in hotels, restaurants, and bars. Made entirely of **stainless steel**, this tool guarantees long-lasting resistance to corrosion and impeccable hygiene, fundamental requirements for handling dishes and food in dynamic operational contexts. The balanced structure, equipped with two large side handles and four multidirectional wheels, allows for smooth and safe movement even when fully loaded.
