

Stainless steel service trolley h956_04

AISI 304 stainless steel service trolley, 50x60x96 cm, with 3 shelves with borders and non-marking wheels with brakes for Horeca and professional environments.

The service trolley **h956_04** represents a professional solution for logistics optimization in Horeca environments, industrial kitchens, and hospitality contexts. Designed to meet rigorous hygiene standards, the use of **AISI 304 stainless steel** ensures superior corrosion resistance and ease of sanitation essential for food contact. The three-level configuration allows managing complex loads, minimizing moving times and ensuring maximum operator safety thanks to the structural stability of the tubular frame.

Technical features

- **Material:** high-resistance AISI 304 stainless steel
- **Total dimensions:** W 50 x D 60 x H 96 cm
- **Structure:** supporting frame in round tubular stainless steel
- **Shelves:** 3 smooth shelves with perimeter containment border (height 40 mm)
- **Movement:** 4 non-marking swivel wheels Ø 125 mm with stainless steel supports
- **Safety:** 2 wheels equipped with parking system (brake)
- **Handling:** ergonomic towing handle integrated into the structure
