Stainless steel table with shelf h220_331

Professional AISI 304 stainless steel table, 120x70 cm, with adjustable shelf and levelable feet. Ideal for maximum hygiene in the HoReCa sector.

The **professional work table** is characterized by a simple and linear structure, designed to meet the rigorous hygiene and resistance requirements of the pizzeria, restaurant, and canteen sectors. Entirely made of **AISI 304 stainless steel**, this technical furnishing accessory ensures high protection against corrosion and ease of sanitation essential in food preparation contexts.

The configuration includes an **adjustable lower shelf**, which optimizes equipment storage, and a robust structure capable of supporting significant loads during daily operations. The simplified assembly system allows for quick setup, while the feet adjustment ensures stability even on uneven surfaces.

Technical features

- **Material:** AISI 304 stainless steel
- **Dimensions:** Width 120 cm, Depth 70 cm
- **Adjustable height:** from 86 cm to 90 cm
- **Feet:** height-adjustable for optimal leveling
- **Base shelf:** height-adjustable for maximum flexibility
- **Worktop load capacity:** 160 Kg
- **Lower shelf load capacity:** 120 Kg
- **Total weight:** 25.12 Kg
- **Assembly:** easy-to-assemble structure
