Stainless steel table with shelf length 180 cm h220_344

AISI 304 stainless steel work table, 180x60 cm, with bottom shelf and adjustable feet. Robust structure for maximum professional hygiene.

This **professional work table** is designed to meet the rigorous hygienic-sanitary requirements of food preparation environments and technical laboratories. Made entirely of **AISI 304 stainless steel**, it guarantees superior resistance to corrosion and an inert support surface, ideal for direct contact with food in professional kitchens, pizzerias and processing laboratories.

The structure is characterized by **40 x 40 mm square tube legs** which provide high mechanical stability, supported by the presence of an integrated **bottom shelf** that optimizes storage space and further stiffens the frame. The rounded edges prevent accidental injuries and facilitate daily sanitization operations.

Technical features

- **Material:** AISI 304 stainless steel with rounded edges
- **Legs:** 40x40 mm square tube
- **Configuration:** with lower reinforcement and storage shelf
- **Adjustment:** height-adjustable feet for optimal leveling
- **Operating height:** variable from 85 to 90 cm
- **Depth:** 60 cm
- **Length:** 180 cm
- **Weight:** approx. 45 kg
