Stainless steel table with splashback length 160 cm h220_339

Professional stainless steel table AISI 304, 1600x700 mm, with splashback and shelf. Robust, hygienic and easy to assemble for kitchens and laboratories.

This **professional work table** is designed to meet the rigorous requirements of hygiene and mechanical resistance of food laboratories and industrial kitchens. Made entirely of **AISI 304 stainless steel**, it guarantees high protection against corrosion and superior durability over time. The structure integrates a **10 cm rear splashback** to preserve the hygiene of the walls and a practical **base shelf** that optimizes the management of storage spaces. Stability is ensured by legs with height-adjustable feet, while the supply in a practical kit facilitates assembly and installation operations.

Technical features

- Material: AISI 304 stainless steel
- Adjustable feet in 40x40 mm square tube
- Rear splashback: height 10 cm
- Included accessories: base shelf
- Depth: 700 mm
- Length: 1600 mm
- Adjustable height: 850-900 mm
- Approximate weight: 56.7 kg
- Assembly system: quick assembly kit included
