Stainless steel table with upstand length 160 cm h220_348

Professional stainless steel AISI 304 work table (160x60 cm) with undershelf, 40 mm upstand and adjustable square section legs.

This **professional work table** is designed to meet the rigorous hygiene and resistance requirements of the HoReCa and food sectors. Entirely made of **AISI 304 stainless steel**, the table offers a solid and durable work surface, characterized by a linear design with **rounded edges** to prevent accidental injuries during routine operations. The structure is reinforced by 40 x 40 mm square tube legs, ensuring maximum stability even under heavy loads.

Technical specifications

- **Material:** AISI 304 stainless steel with professional finish and rounded edges
- **Structure:** 40x40 mm square tube legs for high stability
- **Equipment:** Supporting undershelf and 40 mm rear upstand
- **Adjustment:** Height-adjustable feet for leveling on uneven surfaces
- **Operating height:** Adjustable from 85 cm to 90 cm
- **Depth:** 60 cm
