

Stainless steel tray trolley h418_157

Stainless steel AISI 304 tray trolley for 16 GN 1/1 trays, mm 380x550x1700h. Equipped with 4 wheels of 125 mm, safety rod and load capacity up to 110 kg.

The **stainless steel tray trolley** (model h418_157) represents the ideal professional equipment for the efficient movement and storage of gastronomic containers within professional kitchens. Developed specifically for **restaurants, hotels, canteens, pastry laboratories and HoReCa activities**, this trolley is aimed at chefs and food logistics managers who need to optimize workflows during service or preparation. The system solves the operational problem of **safe and hygienic transport of large volumes of food**, offering a flexible and organized load capacity on multiple levels. The trolley is entirely made of high-quality AISI 304 stainless steel, a material that ensures a silent structure, high structural stability and prolonged resistance to wear. The stable transit of dishes is guaranteed by the presence of a vertical anti-tip safety rod and four robust swivel wheels, two of which are equipped with a mechanical parking brake.

Technical features

- **Structure material:** high-quality AISI 304 stainless steel
- **Tray storage capacity:** designed for 16 GN 1/1 size trays
- **Internal compartment size:** 1/1 GN format
- **Overall external dimensions (W x D x H):** 380 mm x 550 mm x 1,700 mm
- **Useful guide insertion width:** 328 mm
- **Useful distance between insertion guides:** 80 mm
- **Total load capacity of the structure:** up to 110 kg
- **Maximum load capacity per single shelf:** 13 kg
- **Wheel configuration:** 4 high-sliding and silent swivel wheels
- **Braking system:** 2 wheels equipped with parking brake
- **Wheel diameter:** 125 mm
- **Locking devices included:** vertical safety rod to prevent accidental fallout of trays
- **Hygienic-sanitary compliance:** produced in compliance with hygiene and safety guidelines, material compliant with European food standards
- **Safety certifications:** item marked with the CE mark in compliance with current directives
- **Supply note:** GN container not included in the basic supply
