

Stainless steel tray trolley h431_44

Stainless steel pastry trolley for 18 trays 60x40 cm (46x64x170 cm). With safety stop, 7.5 cm pitch and braking wheels.

The **professional stainless steel tray trolley** is specific equipment for optimizing logistics in bakeries, pastry shops, restaurants and service stations. Made entirely of high-quality stainless steel, this model ensures superior resistance to mechanical wear and rapid sanitization, in full compliance with HACCP regulations. The single-column structure is designed to

accommodate up to **18 Euronorm trays (60 x 40 cm)**, maximizing vertical storage in a minimum footprint. The trolley is supplied complete with a **tray stop**, a fundamental technical detail to prevent slipping during transport, ensuring the maximum integrity of baked goods.
