

## Stainless steel umbrella stand h86\_142

Professional 28-liter stainless steel umbrella stand, dimensions 280x280x610 mm, equipped with a black plastic scratch-resistant protective base.

This **professional umbrella stand** is designed to ensure order and hygiene in high-traffic entrances. Made entirely of **stainless steel**, the product offers high resistance to oxidation resulting from constant contact with humidity, ensuring a surface that is easy to sanitize and maintain over time. The structure is completed by a **black plastic base**, specifically designed to protect the body of the umbrella stand and, at the same time, preserve the integrity of the floors, avoiding scratches or marks during movement.
