Stainless steel wall cabinet length 120 cm h111_114

Professional AISI 304 stainless steel wall cabinet, sliding doors, slotted shelves, 120x40x60 cm. Hygienic and space-saving solution for Horeca kitchens.

Professional wall cabinet designed for the optimal organization of overhead spaces in mass catering and food laboratories. Made entirely of **AISI 304 stainless steel**, it guarantees superior structural strength and total protection against corrosion. The **sliding doors** system allows immediate access to the contents without creating frontal obstructions, making it ideal for dynamic work environments and narrow corridors. The design includes a passive ventilation system thanks to the slotted shelves, essential for preventing moisture stagnation. Product fully compliant with **HACCP regulations** for hygienic safety.

Technical features

- **Material:** AISI 304 stainless steel
- **Opening system:** sliding doors on tracks
- **Internal configuration:** height-adjustable intermediate shelf
- **Ventilation:** slotted bottom shelf and base for air circulation
- **Dimensions:** L.120 x D.40 x h.60 cm
