Stainless steel work table h31415

Professional stainless steel work table 304/430, 700x700x850 mm, with under-top paneling for maximum hygiene and stability in food laboratories.

This **professional work table** has been designed to meet the rigorous hygienic-sanitary requirements of pizzerias, pastry shops, and industrial kitchens. The entirely **stainless steel** structure offers a work surface extremely resistant to corrosion and mechanical wear, ideal for the preparation of dough, snacks, and confectionery products. The design on legs facilitates cleaning of the underlying area, ensuring high operational standards in HoReCa contexts.
