Stainless steel work table Length 120 cm h220_332

AISI 304 stainless steel work table, 120x70 cm, with lower shelf and adjustable height. Robust, hygienic and supplied in an assembly kit.

This **professional work table** is designed to offer an extremely hygienic and resistant operating surface, ideal for environments requiring high standards of cleanliness and durability. Made entirely of **AISI 304 stainless steel**, the table guarantees superior protection against corrosion and chemical agents, making it suitable for intensive use in industrial kitchens, laboratories and workshops. The structure is completed by a practical **lower shelf** that optimizes storage space and an easy assembly system for quick setup.

Technical features

- **Material:** Water-repellent AISI 304 stainless steel
- **Dimensions:** Length 120 cm, Depth 70 cm
- **Adjustable height:** From 85 to 90 cm for optimal leveling
- **Feet:** Adjustable in 40x40 mm square tube
- **Configuration:** Equipped with a supporting base shelf
- **Total weight:** 45 Kg
- **Total load capacity:** approx. 390 kg
- **Worktop capacity:** approx. 275 kg
- **Lower shelf capacity:** approx. 115 kg
- **Finish:** Easy-to-sanitize surfaces
- **Installation:** Delivered disassembled with assembly kit included
