# Stainless steel work table Length 140 cm h220_333

Professional AISI 304 stainless steel work table, 140x70 cm. Hygienic structure with lower shelf and adjustable feet for heavy-duty loads.

This **professional work table** is designed to ensure the highest standards of hygiene and resistance in intensive operational contexts. Made entirely of **AISI 304 stainless steel**, the material offers a natural water-repellent property and very high resistance to corrosion, making it ideal for direct contact with food and use in humid environments.

The structure is designed for maximum stability and functionality: the worktop is supported by a solid base equipped with a **load-bearing lower shelf**, optimizing the storage space below. Operational versatility is guaranteed by the **height-adjustable feet**, made of 40x40 mm square tubing, which allow the surface to be perfectly leveled even on irregular surfaces. The product is supplied disassembled to facilitate logistics, including an intuitive assembly kit for quick and safe assembly.

## Technical features

- **Material:** AISI 304 stainless steel
- **Dimensions:** 140 x 70 cm (Length x Depth)
- **Adjustable height:** From 85 to 90 cm
- **Leg structure:** 40x40 mm square tube with leveling feet
- **Configuration:** With load-bearing base shelf included
- **Total load capacity:** approx. 350 kg
- **Worktop capacity:** approx. 250 kg
- **Base shelf capacity:** approx. 100 kg
- **Overall weight:** 50 kg
- **Assembly:** Assembly kit included, easy to install
