Stainless steel work table length 140 cm h220_338

Professional AISI 304 stainless steel table (1400x600 mm) with lower shelf and upstand, ideal for hygiene and robustness in professional kitchens.

This **professional work table** is designed to meet the needs of pizzerias, restaurants, trattorias and large industrial kitchens. Entirely made of **AISI 304 stainless steel**, the module offers a linear and robust structure, capable of withstanding mechanical stress and chemical corrosion typical of food preparation environments. The integration of a **base shelf** allows for optimizing the storage of equipment and raw materials, keeping the work area tidy and functional.

The surface is extremely hygienic and easy to sanitize, while the quick assembly system via the **supplied kit** facilitates the immediate setup of the product within the laboratory or kitchen.

Technical features

- **Material:** AISI 304 stainless steel
- **Feet:** height-adjustable for optimal leveling
- **Equipment:** base shelf included
- **Rear upstand:** 40 mm, for wall protection
- **Depth:** 600 mm
- **Length:** 1400 mm
- **Height:** adjustable between 850 and 900 mm
- **Operating weight:** approximately 50.5 kg
