Stainless steel work table length 160 cm h220_334

Professional AISI 304 stainless steel work table, 160x70 cm, with lower shelf, adjustable feet and a total load capacity of 311 kg. This **professional work table** is designed to meet the hygiene and robustness requirements typical of food preparation environments. Entirely made of **AISI 304 stainless steel**, it guarantees excellent resistance to corrosion and mechanical stress, making it an essential element for industrial kitchens, laboratories and canteens. The structure is completed by a practical lower shelf that optimizes storage and **adjustable feet** that ensure stability even on irregular surfaces. The product is supplied disassembled with an intuitive assembly kit to facilitate transport and installation.
