Stainless steel worktable with splashback h220129

AISI 304 stainless steel pizza counter (100x70 cm) with 10 cm splashback and shelf. Durable, hygienic, and easy-to-assemble modular structure.

The **professional pizza counter** is a solution designed to optimize preparation operations in pizzerias, restaurants, and trattorias. The structure is entirely made of **AISI 304 stainless steel**, the preferred material for the food sector thanks to its high resistance to corrosion and bacteriostatic properties. The linear configuration includes an integrated rear splashback to protect the walls and a bottom shelf that increases the equipment storage capacity.
