## Steam hotel iron h164\_55

Steam iron for hotel facilities. Power: 2000 W. Automatic shut-off.

The **h164\_55 steam iron** is a professional solution designed specifically for the hospitality sector, ideal for **hotels, vacation homes, and B&Bs**. Featuring a power of **2000 W** and a **stainless steel** soleplate, this tool guarantees fast and long-lasting performance, meeting the needs of guests looking for efficiency and ease of use. Safety is the central pillar of the device: the **automatic shut-off** system kicks in after only 30 seconds of inactivity in a horizontal position and after 8 minutes in a vertical position, preventing accidents and reducing energy consumption. Comfort of use is ensured by the ergonomic **rubber handle** and the extra-long 3-meter cable, which allows for superior freedom of movement compared to standard domestic models.
