Steam iron for hotels h16_32

Iron for hotel use. Steam operation. Color: black. Tank capacity: 250 ml.

The **h16_32 steam iron** is a professional device specifically designed for the hospitality sector, ideal for **hotels, holiday homes, and B&Bs** wishing to offer a quality additional service to their guests. Featuring a sober aesthetic in **black color**, this iron combines a variable power between **1600 and 2000 W** with a high-glide non-stick soleplate, ensuring rapid results on every type of fabric. Room safety is managed by an intelligent **automatic shut-off** system, which cuts the power after just 30 seconds of inactivity in a horizontal position and after 8 minutes in vertical. Thanks to the 250 ml tank and the status indicator light, it solves the operational problem of guests' autonomous ironing management, ensuring simplicity of use and fire protection.
