

Steel bicycle rack h867_04

Single powder-coated steel bicycle rack. Dimensions: 480 x 60 x H.900 mm.

Single bicycle rack for urban furniture, ideal for public squares, avenues, but also for apartment buildings. The item is sold individually and features a **solid steel structure** with 60 x 10 and 40 x 10 plates. The rack is also powder-coated to ensure resistance to atmospheric agents and wear and tear over time. **Fixing is done to the ground**, by burying part of the structure.

Available in different colors.

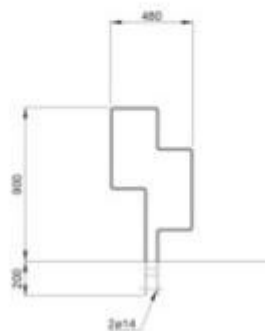

Technical features:

- Material: steel
- Powder coating
- Available in different colors
- Dimensions: 480 x 60 x 900 mm
- Weight: 15 kg

**Image purely indicative. The bicycle rack is sold individually*
