Steel crate trolley h1035_01

Professional painted steel crate trolley, 150 kg capacity, 72.5x46 cm platform with non-slip mat and space-saving folding handle.

The **steel crate trolley h1035_01** is a professional tool designed for the intensive handling of goods and containers in industrial, logistical, and commercial contexts. Thanks to its robust structure and ergonomic configuration, it solves the critical issues related to the manual transport of medium-heavy loads within warehouses, workshops, and retail points.

The frame is made of **high-quality steel** with an **epoxy powder** finish, a treatment that guarantees high resistance to oxidation and mechanical wear. The loading platform is integrated with a **blue non-slip mat**, essential for stabilizing the load during acceleration and deceleration phases, reducing the risk of accidental crate falls.

Technical characteristics

- **Type:** Professional folding crate trolley
- **Material:** Steel with epoxy powder coating
- **Load capacity:** 150 kg
- **Total dimensions:** W 72.5 x D 46 x H 81.5 cm
- **Platform dimensions:** 725 mm (width) x 460 mm (depth)
- **Wheel system:** 2 swivel wheels and 2 fixed wheels for directional maneuverability
- **Wheel diameter:** 100 mm
- **Handle:** Quick-fold system for space reduction
- **Platform coating:** Blue non-slip rubber mat
- **Net weight:** 9.10 kg
