

Steel waste collection bin with handle h20_199

Professional 70-litre AISI 430 stainless steel waste bin with wheels and HACCP pedal, ideal for hygienic waste management in large kitchens.

This **70-litre professional waste bin** represents an efficient solution for waste management in high-turnover contexts. Made of **AISI 430 stainless steel** with a bright finish, the structure integrates components in epoxy powder-coated steel to ensure mechanical resistance and durability over time. Designed to optimize workflows in environments where hygiene is a priority, it solves critical issues related to load handling and container sanitization.

Technical features

- **Material:** AISI 430 stainless steel
- **Dimensions:** W 480 x D 420 x H 755 mm
- **Capacity:** 70 litres
- **Operating weight:** 10.2 kg
- **Opening system:** Large pedal compliant with the HACCP method
- **Mobility:** 2 rubber wheels for agile movement
- **Maintenance:** Removable front to facilitate bag replacement
- **Accessories included:** Bag holder elastic and handling handle
- **Finish:** Bright
