

Steel zip line for children h350_314

Hot-dip galvanized steel zip line play equipment for children. 2 vertical posts, 1 steel cable, 1 platform. Age of use: 5 - 12 years.

Ideal children's zip line for playgrounds and outdoor play areas. This product is **certified** in accordance with European Standards **EN 1176** by the German TÜV - SÜD Institute. Its **manufacturing material is hot-dip galvanized steel**, and it is composed of **2 vertical posts** in hot-dip galvanized steel round tube with a diameter of 220 mm, to be anchored to the ground on levels at different heights and connected at the back to **2 inclined tie rods** in Ø 60 mm round tube; **1 sliding system** via multi-strand galvanized steel cable, with **elastic devices** positioned at the ends to ensure stopping; **1 flat round seat** made of shockproof rubber with an internal core of press-folded steel sheet. The seat is suspended from a **welded and hot-dip galvanized narrow-link chain**. The **starting platform** is **equipped with climbing steps** and is made of Nordic pine wood pressure-treated in an autoclave with non-toxic salts. All elements are assembled using **8.8 galvanized steel bolts and self-locking nuts**.

Technical characteristics:

- Inclusive play
- Structure material: hot-dip galvanized steel
- Dimensions: L. 3200 x D. 100 x h. 410 cm
- Minimum space: 3480 x 400 cm
- Impact area: 122.00 square meters
- Fall height: 120 cm
- Total weight: 90 kg
- Number of users: 1
- Age of use: 5 - 12 years
- 2 vertical posts in Ø 220 mm hot-dip galvanized steel tube
- 2 inclined tie rods in Ø 60 mm hot-dip galvanized steel round tube
- 1 sliding system on multi-strand galvanized steel cable
- Cable complete with elastic stopping devices at the ends
- 1 flat round seat
- Seat outer material: shockproof rubber
- Seat inner material: press-folded steel sheet
- Welded and hot-dip galvanized narrow-link chain
- 1 platform equipped with steps in Nordic pine wood pressure-treated in an autoclave with non-toxic salts
- 8.8 galvanized steel bolts
- Self-locking nuts
- This product is EN 1176 certified
