

Street furniture bench with backrest h678_01

Bench for public spaces with a modern design. With backrest. Length 180 cm.

Metal bench with backrest for street furniture, with an essential and resistant line and a **timeless design**. Thanks **to the innovative stacking system** and the **possibility of ground fixing** it is the ideal product for **urban outdoor** and for the HORECA market. This splendid **version with backrest** certainly does not go unnoticed. It is subjected to **hot-dip galvanization treatment**, a certified treatment, for optimal performance even when subject to **constant environmental stress**, which guarantee, together with polyester powder coating, **extreme durability**.

Technical features:

- 3-seater bench with backrest
- Stackable
- Material: metal
- Ground fixing
- Dimensions: L.180xD.51.5xH.85.2
