

Street vendors umbrella cotton fabric h757_48

Professional umbrella for street vendors h757_48 with large cotton-polyester fabric (375 x 485 cm). "Base" version designed to offer a wide coverage area with maximum practicality and a limited investment.

The **h757_48 umbrella for street vendors** is the ideal solution for those who need extensive and functional coverage for their sales stall. With a surface area of **375 x 485 cm**, this model offers one of the largest shade areas in the "Base" category, ensuring optimal protection for goods and customers. The canopy is made of **cotton-polyester fabric**, a material chosen to balance lightness and breathability. The structure is solid yet easy to handle, equipped with a 55 mm diameter pole and a 1-way pulley opening system. *Important note: The color of the fabric varies according to stock availability (examples in the photos); the actual color must be verified with our sales office at the time of ordering.*
