

Student desk h908_78

Single-seater school desk in steel with “C” structure and ivory 70x50 cm top. Ergonomic, with sheet metal under-shelf, ideal for intensive use.

The **H908_78 single-seater school desk** is a technical furnishing solution designed to meet the needs of modern educational institutions. The distinctive feature is its “**C**” **structure**, which allows easy access to the station and guarantees ample space for leg movement, promoting the maintenance of a correct posture during lesson hours. The reinforced steel frame ensures superior stability, fundamental in high-traffic contexts.

Functionality is integrated by a practical **sheet metal under-shelf**, designed for housing books and teaching materials, keeping the work surface free of clutter. The upper top, finished in an ivory shade, is treated to resist daily wear and facilitate ordinary sanitization operations.

Technical characteristics

- **Type:** Single-seater desk for professional school use.
- **Structure:** Steel “C” frame with Ø40 mm tube legs.
- **Under-shelf Material:** High-resistance sheet steel.
- **Worktop:** Ivory color finish, scratch-resistant surface.
