

Swing with 2 flat or cradle seats h350_106

Wooden swing for playgrounds or public spaces, for children aged between 3 and 12 years. Overall dimensions: L365 x W240 x H275 cm

2-seater swing to enrich playgrounds and gardens. **Made of Nordic pine wood** pressure-treated in an autoclave with non-toxic salts. The **upper beam and the four posts are also made of wood** with a circular cross-section \varnothing 120 mm and connected to each other by a galvanized tubular steel connection. The swing is equipped with **2 seats available as flat or cradle seats in shockproof rubber**, complete with **close-mesh welded and hot-dip galvanized chains**. **Assembly is carried out using 8.8 galvanized steel hardware** and self-locking nuts. The attachments for **ground anchoring are made of hot-dip galvanized metal**.
