

Swivel office task chair h449_145

Chair with armrests included and padded backrest. Dimensions: 63 x 66 x H 95 to 107 cm.

The **H449_145 swivel task chair** is designed for professional environments where **daily comfort** must go hand in hand with **durability, adjustability and compliance with regulations**. It is a **size M** chair, suitable for standard use up to **12 continuous hours**, perfect for administrative offices, workstations and home offices.

The structure, solid and durable, is made of **steel** and features **grey shells** with a sober and professional design. The **padded seat and backrest** guarantee the right support even after many hours of work: both are made with **5 cm T21 foam** and wear-resistant materials. The **armrests are included**, helping to improve overall ergonomics.

The chair integrates a series of adjustment devices to adapt to the **user's** needs: **gas lift, synchro mechanism with 4 locking positions, permanent contact** and **height-adjustable backrest**. Everything is completed by the **anti-shock mechanism**, which protects the back from recoils during the release of the backrest.

The **Ø 50 mm nylon wheels** guarantee smooth gliding on hard surfaces, while the **Ø 66 cm base** ensures stability even in the widest movements. The chair is **TÜV certified, compliant with Legislative Decree 81/08** and the **EN 1335-B standard**, guaranteeing its suitability for professional use.

Choose the **H449_145 chair** to make every working day more comfortable and productive. Contact us for multiple quantities or to receive personalized advice.
