

Table and 6 chairs set for canteens h776_53

Professional canteen furniture kit with 180x80 cm melamine table and 6 stackable polypropylene and steel chairs. Certified and modular solution.

The set for setting up canteen areas and refreshment zones represents a complete solution for organizing collective spaces in **offices, schools, universities and community facilities**. Designed to withstand intensive use cycles, the kit combines the structural solidity of steel with the practicality of thermoplastic materials, ensuring a functional and easy-to-sanitize environment. The configuration includes a spacious table and ergonomic seats designed to optimize comfort during breaks and sharing activities.

Technical features

- **Table dimensions:** W 180 x D 80 x H 73 cm
- **Chair dimensions:** W 54 x D 55 x H 80 cm (seat height 45 cm)
