

Table with benches for urban furniture h424_70

Wooden picnic table and benches ideal for gardens and public parks. Dimensions: L.2000 x D.1750 x H.750 mm. Suitable for wheelchair users.

The picnic table and bench set is ideal for offering an outdoor leisure opportunity even to city dwellers. **The product can in fact be installed in gardens and public parks** allowing for outdoor lunches and games. Thanks to its robustness, the product is also suitable for mountain areas, thus allowing for the creation of refreshment points for all those who love walking at high altitudes.

The set consists of a wooden table and two benches with a galvanized steel structure treated to be anti-corrosive and built to allow use by wheelchair users as well.

Technical features:

- 1 table
- 2 benches
- Material: wood
- Galvanized steel structure
- Anti-corrosive treatment
- Inclusive structure
- Dimensions: L.2000 x D.1750 x H.750 mm.
