Steel sanitary bag dispenser pocket h18506

Painted steel sanitary bag dispenser pocket (290x130x45 mm). Made in Italy anti-fingerprint and ultra-resistant design for the HoReCa sector.

This **sanitary bag dispenser pocket** represents a professional and durable solution for managing hygiene in high-traffic public restrooms. Designed for contexts such as hotels, restaurants, bars, and accommodation facilities, it solves the need for an orderly dispensing of paper bags, improving the decor and cleanliness of the premises.

The product is entirely **made in Italy**, following a controlled supply chain from sheet metal processing to surface finishing. The **painted steel** structure has been designed to guarantee high **impact resistance** and **anti-fingerprint** protection, facilitating routine maintenance operations.
