

Task chair height 105 - 116 cm h449_148

Work chair size L with padded backrest. Dimensions: 70 x 70 x H 105 - 116 cm.

The **H449_148 task chair** is designed to offer **comfort and reliability** during long work sessions in the office. It is a **size L seat**, ideal for users who need more space and support, with a sober design and a resistant structure.

The **padded seat** and the **PPL backrest**, both with **high-density T25 foam**, guarantee the right balance between stiffness and comfort, even during prolonged use up to **12 hours a day**. The structure is made of **steel**, while the **Ø 60 mm nylon wheels** and the **Ø 70 cm base** ensure stability and smooth movement even on large surfaces.

This seat is equipped with **gas lift**, **synchro mechanism with 4 locking positions**, **permanent contact** and **antishock**, fundamental elements to guarantee a **dynamic and adjustable posture** based on the user's needs. The **backrest is height-adjustable**, favoring the correct alignment of the spine.

The **armrests are not included** but can be purchased separately as an **optional**, for an even more personalized configuration.

Choose the **H449_148 task chair** for a comfortable, safe and professional work experience. Contact us now to receive a dedicated quote or to add the desired options.
