

Task chair with armrests h163_50

Office task chair with reinforced polypropylene backrest and permanent contact mechanism. Total height: 96 cm.

The task seat with fixed armrests is ideal for those who work seated at a desk for many hours, offering comfort and correct posture. **The product consists of a reinforced polypropylene backrest with a polypropylene seat with metal reinforcement bars.** The foam padding with a thickness of 3.5 cm and the permanent contact mechanism offer comfort even after several hours, thus avoiding the occurrence of back problems.

It is possible to choose between two different fabric colors: blue and black.
