

Task chair with armrests h449_146

Office chair size M with armrests included. Dimensions: 63 x 66 x H 111 to 123 cm.

The **H449_146 task chair** is designed to offer **comfort, stability, and ergonomics** during prolonged office use, with **armrests included** and a resistant structure suitable for professional environments. It is a **size M** chair, perfect for daily use up to **12 hours**, compliant with the strictest safety regulations and certified according to the **EN 1335-B** standard, **D.Lgs. 81/08**, and **TÜV**.

The **steel structure** with **grey shells** combines robustness and professional design. The **padded seat and backrest** are made with **5 cm T21 foam** which guarantees a comfortable and durable seating experience. The core of the seat is in **multilayer beech**, while the backrest is reinforced in **PPL**, ensuring excellent resistance even in intensive use conditions.

The chair is equipped with **gas lift, synchro mechanism** with 4 **locking positions, permanent contact**, and **height-adjustable backrest**, to allow a personalized adjustment to the user's posture. The integrated **anti-shock** system protects the back from sudden jerks during the backrest release.

The equipment is completed by **Ø 50 mm nylon wheels** for good mobility on any surface and a stable **Ø 66 cm** base. It is an ideal solution for single or multiple workstations in modern offices, technical studios, receptions, and shared spaces.

Discover the perfect balance between ergonomics and functionality with the **H449_146 task chair**. Request a quote now for corporate supplies or purchase it directly online.
