

## Task chair with shaped backrest h449\_181

Task chair with adjustable shaped backrest and gas lift. Dimensions: D 63 x H from 104 to 115 cm.

The **task chair with shaped backrest H449\_181** is designed to guarantee ergonomics, durability, and comfort during daily work activities. Ideal for offices, workstations and home offices, this chair combines quality materials with advanced technical solutions to support the user even for uses up to **8 hours daily**.

The **steel** structure ensures stability and long life, while the **padded seat in multilayer beech with T25 shaped foam** offers comfortable and long-lasting support. The **padded backrest**, also in T25 foam, is adjustable in height and depth, allowing it to adapt to the body shape and needs of the user.

Equipped with a **permanent contact mechanism**, the H449\_181 allows maintaining an ergonomic posture, with the backrest following the movements of the back. The **TUV certified gas lift**, compliant with **DL 81/08**, guarantees safe and reliable adjustments. The **Ø 63 cm base with Ø 50 mm nylon wheels** ensures stability and smoothness.

The **armrests are not included, see options**, but can be added as an optional extra to further increase operational comfort. With a **maximum load capacity of 100 kg**, this seat represents a solid and versatile choice for every work environment.

Buy the **H449\_181 task chair** now and improve the quality of your daily work with an ergonomic, certified and resistant chair.

#### FAQ:

1. **Is the chair height adjustable?**  
Yes, thanks to the TUV certified gas lift.
2. **Is the backrest adjustable?**  
Yes, in height and depth, with a permanent contact mechanism.
3. **Are armrests included?**  
No, but they are available as an option.
4. **What are the product certifications?**  
TUV certified gas and compliance with DL 81/08.
5. **What is the maximum load capacity?**  
The chair supports up to 100 kg.

#### Mini purchasing guide:

To choose an **ergonomic task chair**, it is important to check three fundamental elements: **adjustments**, **comfort** and **certifications**.

The H449\_181 offers an **adjustable shaped backrest**, a **permanent contact mechanism** that promotes the natural movement of the back and a **TUV certified gas lift**, compliant with workplace safety regulations.

With shaped padding and a robust structure, it is an ideal seat for those who work up to 8 hours a day in the office or home office.
