

Task chair without armrests h449_149

Size L office chair with adjustable backrest. Dimensions: 70 x 70 x H 95 - 106 cm.

The **H449_149 task chair** is a reliable and functional choice for those working at a desk for up to **12 hours a day**. The **size L** makes it perfect for users looking for a spacious and well-structured seat, suitable for workstations in professional, public, or private environments.

The **steel** frame guarantees solidity and durability, while the seat and backrest, both **padded with T25 foam**, offer optimal comfort thanks to the correct balance between firmness and softness. The materials used – **black PPL for the exterior** and **steel reinforcements inside** – ensure resistance even under intense use conditions.

Thanks to the **gas lift mechanism**, the height is easily adjustable. The **permanent contact** system allows the backrest to follow the user's movements, improving back support. Additionally, the **backrest is adjustable in height**, making this chair perfectly adaptable to the desired posture. The **nylon castors Ø 60 mm** glide smoothly on every surface, supported by a stable **Ø 70 cm** base.

Armrests are not included, but are available as an **optional**, offering the possibility of customization according to needs.
