

Teardrop advertising flag with print h738_171

Teardrop advertising flag with print included. Flag dimensions: 132 x 240 cm. Total height: 324 cm.

The **H738_171 teardrop advertising flag** is a professional and highly visible tool, designed for use in **both indoor and outdoor environments**. Thanks to its **teardrop shape**, it is perfect for attracting attention in an elegant and effective way during **promotional events, trade fairs, corporate entrances, sporting events and points of sale**.

The structure is composed of a **flexible fiberglass pole**, a material that guarantees **high wind resistance and long durability**, even in adverse weather conditions. The **black finish** gives a sober and professional appearance, suitable for any context. The flag is made of **100% 100 gr nautical polyester fabric** and is printed using **single-sided sublimation**, a technique that ensures **vivid colors and high definition**, perfect for high-impact visual communication.

Printing is included in the price: the customer must provide the graphics to start the customization. The flag measures **132 x 240 cm**, while the overall height of the flag is **324 cm**, ideal for being visible even from a long distance.

In continuous outdoor use conditions (24/7), the estimated durability is approximately **90 days**. In more protected or indoor environments, the flag can maintain its **visual characteristics for over 12 months**, guaranteeing a **long-lasting and convenient promotional investment**.

Order your **H738_171 teardrop flag** now! Request a quote for larger quantities or for support in preparing the graphics.

FAQ:

1. **Is printing included in the price?**
Yes, single-sided sublimation printing is included. The customer must provide the graphics during the ordering phase.
2. **Is a base for installation included?**
No, the base is not included.
3. **How long does it last if exposed outside continuously?**
The estimated durability in adverse weather conditions with 24/7 exposure is approximately 90 days. If used in protected environments, it can last over 12 months.
4. **What are the flag dimensions?**
The flag dimensions are 132 x 240 cm.
5. **Is assembly required?**
Yes, but assembly is simple and quick.

Mini buying guide:

If you want a **versatile, resistant advertising solution with a strong visual impact**, the H738_171 teardrop flag is perfect for you.

Carefully evaluate **where it will be installed**: if outdoors, choose a **ballastable or stake base** suitable for the ground; for indoors, a flat metal base is sufficient.

The **teardrop shape** not only guarantees good visibility, but also **stability in the presence of wind**, thanks to the aerodynamic profile.

Remember to prepare your graphics in high quality to get the most out of the included printing.

Teardrop advertising flag, customized advertising sail, indoor and outdoor flag, flag with print included, single-sided polyester flag, wind-resistant flexible structure, tall promotional flag.
