

## Teardrop flag complete with printing h738\_172

Teardrop flag with printing included on nautical fabric. Banner dimensions: 78 x 178 cm. Total height: 215.5 cm.

The **h738\_172 teardrop advertising flag** is a compact and effective solution for high-impact communication in both **indoor and outdoor** spaces. Thanks to the **flexible fiberglass structure**, it is highly **wind-resistant**, lightweight, and simple to assemble. The **teardrop design** provides elegance and visibility, making it perfect for promotional events, corporate entrances, shops, trade show stands, and outdoor commercial activities.

The banner, shaped and well-tensioned, is made of **100% 100 g nautical polyester**, a material designed to withstand wind and humidity. The **single-sided sublimation printing**, included in the order, guarantees **vibrant colors, high definition, and long-lasting durability**. Graphics must be provided at the time of ordering to start production.

The compact dimensions of the banner – **78 x 178 cm** – and the total height of the structure – **215.5 cm** – make this flag the ideal choice for contexts with limited space that require **a clear and well-visible message**.

In case of 24/7 outdoor use and continuous exposure to unfavorable weather conditions, the estimated lifespan of the banner is approximately **90 days**. If used indoors or in protected environments, the lifespan can **exceed 12 months**.

Order your **h738\_172 teardrop flag** with custom printing today! Request a quote for multiple orders or receive assistance with your graphics.
