

Teardrop flag with ballastable base h738_170

Teardrop advertising flag with 14 lt base included. Banner dimensions: 97.5 x 211.2. Total height: 259.5 cm.

The **H738_170 teardrop advertising flag** is designed to offer **high visibility, wind resistance and great stability**, even in outdoor environments. Equipped with a **14-liter ballastable base in anthracite color**, it is ideal for contexts such as **outdoor events, trade fairs, company entrances, promotional areas and outdoor commercial spaces**.

The structure is made of **fiberglass**, a flexible and lightweight material, but extremely **resistant to wind stress**. The banner, shaped like a teardrop, is made of **100g 100% nautical polyester** and is printed using **single-sided sublimation**, a technique that guarantees **vivid colors, high definition and excellent durability over time**, even in varying weather conditions.

Printing is included in the order: simply provide the high-resolution graphic file to proceed with production. The banner dimensions are **97.5 x 211.2 cm**, while the total height of the structure is **259.5 cm**, perfect for clear and impactful communication without excessive bulk.

Personalize your **outdoor teardrop flag H738_170** now! Contact us for graphic assistance or to receive a customized offer for multiple orders.
