

## Three-seater office sofa with armrests h776\_80

Professional 3-seater sofa in fire-retardant eco-leather and wood, 220x85x74 cm. Reinforced structure compliant with GPP (CAM) for offices and contract spaces.

The **H776\_80 three-seater sofa** represents a professional furnishing solution designed to combine executive aesthetics with the resistance required in high-traffic environments. Ideal for **offices, professional studios and reception areas**, this model meets the needs for comfort and durability, integrating perfectly into contract contexts thanks to a sober and functional design.

Structural solidity is guaranteed by a **wood plywood** frame integrated with elastic straps, which ensures a constant elastic response over time. The **30 kg/m3 density expanded polyurethane padding** prevents deformation from intensive use, keeping the seat ergonomics unchanged. The fire-retardant eco-leather upholstery not only facilitates sanitization operations but also guarantees maximum safety in terms of fire prevention.
