

Three-seater sofa with chromed nylon feet for office h776_83

Professional 3-seater sofa in fire-retardant eco-leather and wood, 183x70x84 cm. CAM certified for high-traffic offices and waiting rooms.

The **three-seater sofa H776_83** is a professional seating system designed for high-traffic contexts such as **executive offices, receptions, and medical practices**. The design focuses on maintaining ergonomic performance over the long term, meeting the needs of contract furniture and Public Administration thanks to full **compliance with Minimum Environmental Criteria (CAM)**.

The load-bearing structure in **plywood** integrates a system of **elastic straps** that guarantees flexibility and mechanical resistance. The padding, made of **cold-molded polyurethane foam**, adopts a **differentiated density** configuration: the seat has a density of **30 Kg/mc** to ensure load-bearing support, while the backrest is calibrated for a more anatomical reception. The standard upholstery in **fire-retardant eco-leather** facilitates sanitization operations, essential in healthcare and professional environments.
