

Three-shelf service trolley h22070

Professional 3-shelf service trolley in plastic and aluminum, 120 kg capacity, dimensions 830x415x940 mm. Ideal for catering and hospitality.

The **h22070 service trolley** is a versatile and robust solution designed to optimize daily operations in HoReCa contexts such as restaurants, hotels and fast food outlets. Thanks to its three-level configuration, it facilitates linen transport, table clearing operations and the tidying of minibars or refrigerators, ensuring high operational efficiency.

The structure is made with a strategic combination of **high-resistance plastic** for the shelves and **aluminum rods**, guaranteeing a perfect balance between structural lightness and mechanical solidity. The movement system rests on four swivel wheels that allow fluid movement even when fully loaded, while the practical assembly kit included ensures quick and intuitive assembly.
