Toilet seat cover dispenser h2086

Toilet seat cover dispenser in AISI 304 stainless steel, 316x215x47 mm. Compact design with level control window for professional hygiene.

The **toilet seat cover dispenser** is a professional solution designed to elevate hygiene standards in high-traffic restrooms. Made of **AISI 304 stainless steel**, this dispenser combines superior structural resistance with an essential and modern design, capable of integrating into different architectural contexts. Its extremely shallow depth makes it ideal for installation in environments where space optimization is essential, while ensuring an impeccable courtesy service for the end user.
