Toilet seat cover dispenser h2087

Wall-mounted white ABS toilet seat cover dispenser. Compact dimensions 235x290x57 mm, ideal for professional restrooms and space-constrained environments.

The **toilet seat cover dispenser** represents an essential solution to ensure the highest hygiene standards in public or professional restrooms. Designed to meet the needs of businesses that focus on guest comfort, this device allows for the orderly and protected management of protective sheets. The structure is characterized by an **extremely reduced depth**, which allows for installation even in small cubicles or bathrooms without obstructing the user's movements.

Made of **high-quality ABS**, the dispenser ensures high mechanical resistance and a long operational life, protecting the consumable material from dust and humidity. Dispensing is facilitated by a wide **oval-shaped front opening**, designed to allow smooth withdrawal of a single sheet, reducing waste and improving the user experience.
