

Top-mounted cabinet with sliding doors h796_17

Top-mounted office cabinet in sheet steel, dimensions 180x45x90 cm. Equipped with space-saving sliding doors and adjustable internal shelves.

The **top-mounted cabinet for office furniture** is designed to optimize the volumetric management of vertical spaces, offering a robust solution for the tidy storage of documents, files, and objects. Entirely made of **first-choice sheet steel**, the module integrates a **sliding door** closing system that allows installation even in cramped environments or transit areas where the bulk of hinged doors would be an obstacle. The internal structure is organized to maximize flexibility of use thanks to mobile components that adapt to specific professional storage needs.
