

Towel shelf h438_278

Shelf with towel bar in satin AISI 304 stainless steel, 650x211x125 mm. Dual function for the optimization of HoReCa bathroom spaces.

This **shelf with integrated towel bar** represents a professional solution for the organization of bathroom environments within hospitality facilities. Designed to maximize functionality in limited spaces, the structure combines a solid **upper support surface**, ideal for bottles, soaps or folded linen, with a **lower bar** dedicated to drying towels.

Made entirely of **AISI 304 stainless steel**, it guarantees high hygiene standards and prolonged resistance to mechanical and chemical wear typical of professional cleaning.

Technical features

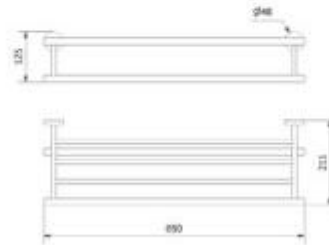

- **Material:** AISI 304 stainless steel
- **Finish:** anti-reflective satin
- **Configuration:** upper shelf with lower towel bar
- **Fixing:** wall installation with kit included (screws and wall plugs)
- **Dimensions:** W.650 x D.211 x H.125 mm
