

Transparent plexiglass lighter display stand h339_76

Countertop lighter display stand in transparent plexiglass. Compact and functional, with 2 shelves. Dimensions: W 20 x D 16 x H 24 cm.

The **h339_76 lighter display stand** is an essential and professional display support in **transparent plexiglass**, designed for organizing small impulse items in tobacconists and bars. Thanks to its **2-shelf** structure, this model solves the problem of clutter on the sales counter, offering an orderly and easy-to-place solution even in the tightest spaces. The crystal-clear transparency of the material guarantees optimal visibility of products from every angle, encouraging customer purchases. With a thickness of 3 mm, the display combines lightness and stability, representing a functional and discreet element for every retail point of sale.
