

Tray trolley h215_243

Compact pastry trolley in 1.4509 stainless steel (66x41x90 cm) for 10 trays. 180 kg load capacity, multi-format side insertion and 4 swivel wheels with brakes.

The **H215_243 professional tray trolley** is an indispensable equipment for kitchen housekeeping, designed to guarantee practicality and resistance in pastry shops, bakeries and restaurants. Made of **1.4509 stainless steel**, this model offers high protection against corrosion and wear, making it perfect for environments with high humidity. The compact horizontal design solves the problem of storage in tight spaces, serving as a mobile under-counter station when needed. Thanks to the 10 supports with side insertion, the trolley offers exceptional **multi-format versatility**, allowing you to organize work with extreme flexibility and safety, supporting heavy loads up to 180 kg without compromising stability.

Technical characteristics
